SHIMLA

The former summer capital of the British in India, and the present capital of **Himachal Pradesh**, Shimla have been blessed with all the natural bounties which one can think of. It has got a scenic location; it is surrounded by green hills with snow-capped peaks. The spectacular cool hills accompanied by the structures made during the colonial era create an aura which is very different from other hill. Bulging at its seams with unprecedented expansion, Shimla retains its colonial heritage, with grand old buildings; among them are the stately vice regal Lodge, charming iron lamp posts and Anglo-Saxon names.

MANALI
