Paradise Island Maldives

Welcome to Maldives, where sands are white as the smiles of the locals, where fish swim happily in the warm waters of the Indian Ocean, where the weather is a dream, and the deep rays of the sun wait to engulf you their arms. Maldives has deep blue seas, turquoise reefs, white sandy beaches and palm trees. It is also a place full of character, where its people have long spent their days languishing in the very essence of idyll living. While it is the perfect place to sit on a beach and watch a sunset with a cocktail balanced on your hand, it is also a geographical marvel, knowing that there are thousands of fish swimming around the vivid corals just a few feet away from where you sit. There is many things to do like Diving, water sports, Surfing .sea plane ride, Luxurious spa etc.
