#### **Dusit Thani Maldives**

Welcome to Maldives, where sands are white as the smiles of the locals, where fish swim happily in the warm waters of the Indian Ocean, where the weather is a dream, and the deep rays of the sun wait to engulf you their arms. Maldives has deep blue seas, turquoise reefs, white sandy beaches and palm trees. It is also a place full of character, where its people have long spent their days languishing in the very essence of idyll living. While it is the perfect place to sit on a beach and watch a sunset with a cocktail balanced on your hand, it is also a geographical marvel, knowing that there are thousands of fish swimming around the vivid corals just a few feet away from where you sit. There is many things to do like Diving, water sports, Surfing .sea plane ride, Luxurious spa etc.
